Evergreen Landscaping is a proud Unilock Authorized contractor. What Does this certification mean? Solely, Unilock has awarded Evergreen Landscaping. Unilock has been scouting our local market for a contractor whose qualities qualify for Unilock Standards. Unilock paving and retaining systems have proven their selves to be the most recognized, number one block manufacture across the world. From their extraordinary products to lifetime guarantee on all materials and attention to detail they exceed industry standards. Evergreen Landscaping projects have been evaluated for 5 years by a Unilock representative to evaluate detail, installation practices, quality, customer service, incorporating all aspects that need to be taken into consideration as well as staying on the cutting edge of design to exceed today's standards. Evergreen Landscaping is the only contractor in our local area to have this certification. When choosing a contractor be sure to know Evergreen Landscaping Services Inc. have proven themselves to a countless number of home/business owners as well as Unilock themselves.
